

SACRAMENTO METRO CHAMBER 2022 STATE LEGISLATIVE SCORECARD

In partnership with our friends at CalChamber, the Sacramento Metro Chamber is pleased to release our first annual scorecard for the Sacramento area's state legislators.

The six-county Sacramento area is well represented at the State Capitol, with 6 Senators and 9 Assemblymembers representing parts of El Dorado, Placer, Sacramento, Sutter, Yolo and Yuba counties. On the next page, you will see how often these 15 state representatives voted with the interests of the business community.

CalChamber identified 18 priority bills in 2022: 15 it supported, and 3 it opposed. The priority bills were broad in scope, covering different areas such as climate, housing, employment, and taxation, but they all reflected legislators' attitudes toward private enterprise, fiscal responsibility and the business climate.

The scores on the next page mark how frequently a legislator voted in accordance with CalChamber's positions. While voting for a recommended bill, or against an opposed bill, is the most straightforward way to support the business community, the scores reflect that abstaining from voting on an opposed bill can be just as effective at stopping its passage as voting against it would be.
