## California Transportation Commission, Sacramento Area Council of Governments and Sacramento Metro Chamber Want Feedback on Transportation Issues

*Public transportation forum being held in West Sacramento on June 24*

**SACRAMENTO, June 16, 2015** – The [California Transportation Commission](#) (CTC), Sacramento Area Council of Governments (SACOG) and Sacramento Metro Chamber want to hear from Sacramento Valley residents about how they view current highway and road conditions, and proposals to stabilize funding for transportation-system repairs and maintenance.

These organizations are hosting a public forum at the [West Sacramento City Hall Galleria, 1110 West Capitol Ave., West Sacramento](#), on Wednesday, June 24 from 4 p.m. to 6 p.m. to discuss and generate feedback on those issues.

Topics to be covered at the forum include the local, regional and state role in funding road projects and maintenance; the impacts and reasons for California's and Sacramento Valley's deteriorating transportation system; and proposed short-term and longer-term solutions to stabilize road repair and maintenance funding.

Speakers at the event include CTC Commissioner Jim Earp, CTC Executive Director Will Kempton, Caltrans Director Malcolm Dougherty, SACOG Board Chairman Don Saylor, Sacramento Metro Chamber Vice President for Public Policy Chris Worden, El Dorado County Transportation Commission Executive Director Sharon Scherzinger and Placer County Transportation Planning Agency Executive Director Celia McAdam.

# Are You Concerned About the Condition of Highways, Roads and Local Streets?

Please join us at a public transportation forum to discuss the state's role  
in funding road repair and maintenance.

- WHEN:** Wednesday, June 24, 4 p.m. to 6 p.m.  
Exhibits and networking: 4 p.m. to 4:30 p.m.  
Presentations and discussion: 4:30 p.m. to 6 p.m.
- WHERE:** West Sacramento City Hall  
1110 West Capitol Avenue, Galleria  
Sacramento, CA 95691
- SPONSORED BY:** California Transportation Commission, Sacramento Area Council of  
Governments, and Sacramento Metro Chamber of Commerce

The California Transportation Commission, Sacramento Area Council of Governments, and Sacramento Metro Chamber of Commerce invite you to a public forum to learn more about the local, regional and state role in funding road projects and maintenance, the impacts and reasons for California's deteriorating transportation system, proposed short-term and long-term funding solutions, and the potential implementation of a road charge based on miles driven to stabilize road repair and maintenance funding.

Representatives from Sacramento Metro Chamber of Commerce, Sacramento Area Council of Governments, El Dorado County Transportation Commission, Placer County Transportation Planning Agency, California Department of Transportation, and the California Transportation Commission will discuss and generate feedback on topics such as:

- How has the Sacramento region benefited from recent major county and state transportation funding, such as state funding for improvements to Interstate 80?
- How does the current condition of the area's transportation system affect economic growth and regional competitiveness?
- What are the near-term and long-term transportation needs in California and the Sacramento Region?
- How can we stabilize and increase funding needed to repair and maintain highways, roads and local streets?

**Your voice is needed to help identify and implement policies to ensure that all Californians benefit from a well-maintained and efficiently-functioning transportation system. Please plan to attend.**

**IMPORTANT NOTE:** The purpose of this public forum is to discuss funding for transportation system repair and maintenance, with a primary focus on highways, roads and local streets.
